Winding through the campus core, this one mile loop is all multi-use trail and passes A-State landmarks including the Historic Arch, the Steel Structure, Aggie Circle and Bookout Plaza. Start your walk or run by touching Tiago's nose for good luck. Don't forget to get a picture with #WeHOWL just off the trail.

Visitors may park in designated visitor parking zones (no charge) indicated with the blue and white visitor signage. Two parking lots have visitor spaces near the PAC Paths Family Path and Wide Loop. SE-1A is adjacent to the Campus Loop. S18 is next to the Family Loop. Remember, during business hours, all other parking on campus requires a permit.
