

RTT Pre-Award Intro & Building Grant Development Timelines

Workshop 1

Research and Technology Transfer

research@astate.edu

Meet Your Presenters

Dr. Travis Marsico

Vice Provost for Research,
Innovation, and Discovery

Executive Director of the
Arkansas Biosciences Institute

Professor of Botany

Ashley Pinkard, MPA, CRA

Executive Director of
Research

Morgan Speer, MBA

Director of Proposal
Development

What is Pre-Award?

The most successful proposals are those with solid planning and preparation. The Pre-Award office works with researchers to plan, develop, and prepare grant proposals for submission.

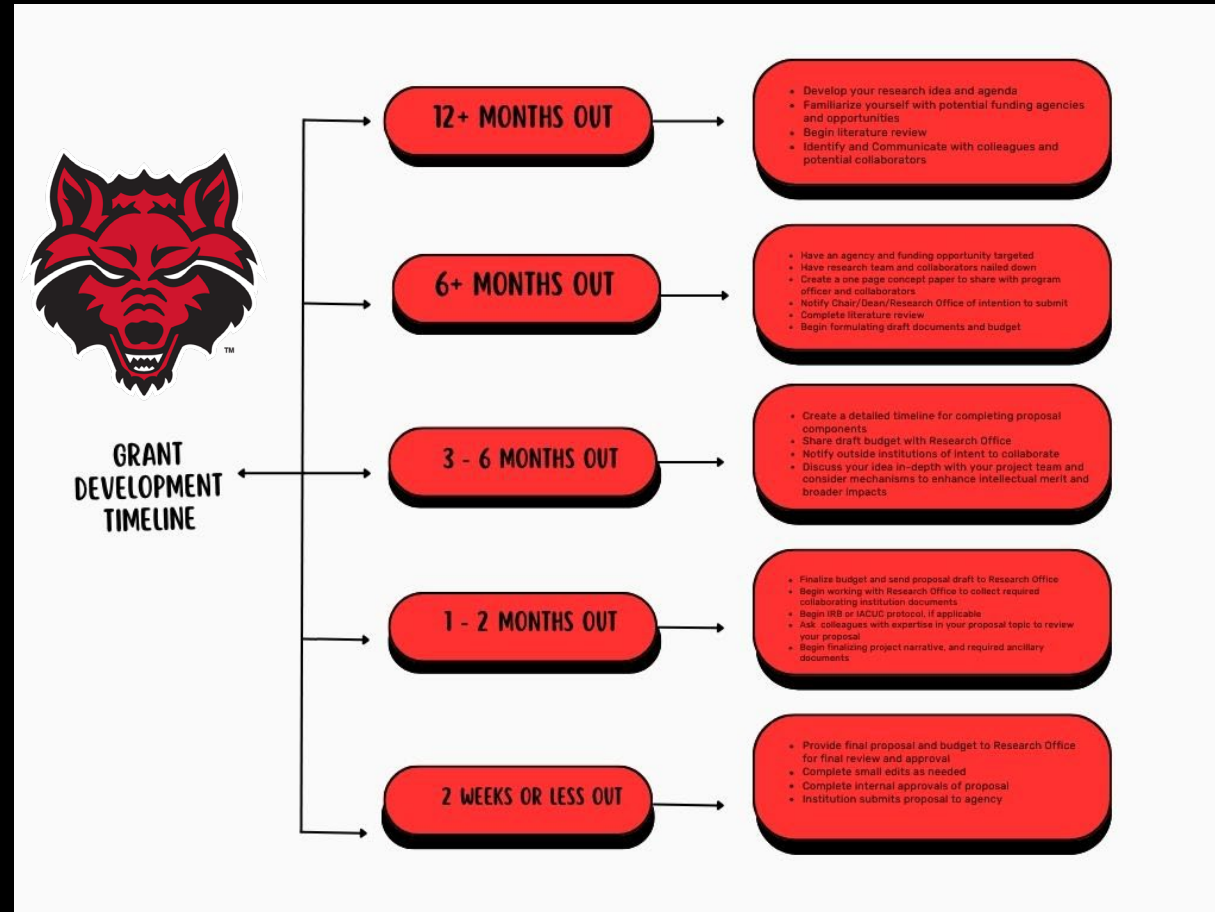

Pre-Award at A-State:

- Research Development
- Proposal Preparation and Submission
- Contract Negotiation and Award Acceptance
- Internal Seed Funding: Faculty Research Awards, Travel Endowments

/ArkansasState

Grant Development Timelines

A-State Submission Timelines

Research and Technology Transfer (RTT) Deadlines

- All **FINAL** proposal documents due to RTT five (5) business days ahead of the sponsor deadline.
- All proposals will be submitted one (1) business day ahead of the sponsor deadline.
- For proposals with subawardees: We must contact the participating institution's grants office 10 business days ahead of the sponsor deadline at minimum.
- You must alert RTT of any submission plans via the new Proposal Notice Form as soon as possible:
